- 1 OPENING STATEMENT OF HON. THOM TILLIS, U.S. SENATOR
- 2 FROM NORTH CAROLINA
- 3 Senator Tillis: Good afternoon. The Personnel
- 4 Subcommittee is now in order.
- 5 Before we begin the markup, I would like to speak
- 6 directly to all military families who have experienced
- 7 serious problems with military housing. My staff --
- 8 Senator Gillibrand: Hold on. I think mine works.
- 9 Here, let me move it closer to you. There you go.
- 10 Senator Tillis: My staff and I have visited your
- 11 homes. The many problems we have seen are appalling. The
- 12 military services and their public/private housing partners
- 13 have failed you. As a result, we have worked to include
- 14 legislation in this year's NDAA to restore accountability
- 15 and oversight of privatized housing, prioritized safety and
- 16 comfort for military families, and ensure long-term quality
- 17 assurance.
- 18 Let me assure you that this subcommittee will not rest
- 19 until we know every military family has a safe home to live
- 20 in. Military families deserve safe, high-quality housing
- 21 commensurate with the great sacrifices they make every day
- 22 for national security, for the security of our Nation.
- This subcommittee meets today to mark up an original
- 24 bill, the National Defense Authorization Act for Fiscal Year
- 25 2020. Again, this year we will hold this subcommittee

- 1 markup in open session. I am confident that we can publicly
- 2 conduct our business without disclosing classified
- 3 information or adversely impacting the process. In this
- 4 regard, I ask that any senator wishing to offer an amendment
- 5 or raise an issue of a classified nature, defer that for the
- 6 full committee's consideration. Although this subcommittee
- 7 is meeting in an open session, the entire contents of the
- 8 markup book are subject to amendment throughout its
- 9 consideration by the Armed Services Committee, and are,
- 10 therefore, embargoed until passage by the full committee
- 11 reported to the Senate.
- 12 I want to thank Ranking Member Gillibrand for her hard
- 13 work on this subcommittee. I also want to thank the
- 14 individual members. Senator Warren, Senator Scott, Senator
- 15 McSally have all come and participated, Senator Duckworth
- 16 and Senator Rounds. And I appreciate your participation not
- 17 only in the committee hearings, but also in the roundtables.
- 18 We have worked together in a bipartisan manner to draft this
- 19 year's Personnel mark, and I appreciate all of your
- 20 dedication to our service members and their families.
- 21 Finally, I want to thank the Personnel Subcommittee
- 22 staff, which we all know does the lion's share of the work.
- 23 A lot of times they get here before us and they leave here
- 24 after us. It is not lost on me nor any of the members of
- 25 the committee, especially Stephanie Barna, Katie Magnus,

- 1 Garry Leeling, John Clark, Soleil Sykes, Sean O'Keefe, and
- 2 Al Edwards. And I should also mention our own staff because
- 3 they work in great cooperation. I want to thank you for
- 4 your hard work and your dedication throughout the process.
- 5 We have before us today the legislative package that
- 6 contains 66 legislative provisions, 36 items of special
- 7 interest, and 5 budget items. Since the details of the
- 8 legislative package were briefed to the staffs of the
- 9 committee members last week, I will limit my comments to
- 10 just the key highlights.
- 11 Key aspects of the subcommittee mark are authorizing
- 12 military and strength levels consistent with the President's
- 13 budget request; authorizing \$40 million in supplemental
- 14 impact aid to local educational agencies and military
- 15 dependent children, and \$10 million in impact aid for
- 16 schools with military-dependent children with severe
- 17 disabilities. It allows parental leave to be taken in
- 18 multiple increments. It expands authority to reimburse
- 19 civilian employees for taxes related to relocation expenses.
- 20 It requires the Secretary of Defense to enter into a
- 21 cooperative agreement with the Council of State Governments
- 22 to assist with the development of interstate compacts on
- 23 licensed occupations for military spouses. It also extends
- 24 through 2024 the authority for reimbursement of State
- 25 licensure and certification costs to military spouses due to

1	relocation.
2	These are a only a few of the highlights in the
3	legislative package we will present for markup. As I
4	indicated earlier, your staffs have been fully briefed on
5	the provisions contained in the package.
6	At this point, I want to offer the ranking member the
7	opportunity to make an opening statement. I am going fast
8	for a reason. We got a vote that just started 5 minutes
9	ago.

- 1 STATEMENT OF HON. KIRSTEN GILLIBRAND, U.S. SENATOR
- 2 FROM NEW YORK
- 3 Senator Gillibrand: Thank you, Mr. Chairman. Over the
- 4 past several months we have held a number of important and
- 5 thoughtful hearings and roundtable sessions together, which
- 6 I really appreciated. We have exercised oversight into the
- 7 standard privatized housing that many military families have
- 8 had to endure. We have addressed the challenges faced by
- 9 military spouses and their families. And we are continuing
- 10 to explore the best ideas to improve the Department's
- 11 prevention of and response to sexual assault within the
- 12 ranks.
- 13 I must say that while I appreciate all the coordination
- 14 with my colleagues and the very hard work of the committee
- 15 staff to produce some very good incremental improvements to
- 16 the Military Justice System, the latest data from the
- 17 Defense Department shows a 50 percent increase in sexual
- 18 assault against women in the military. That should be a
- 19 call to action for all of us. Enough is enough. It has
- 20 been 5 years since General Dempsey said the military would
- 21 fix the sexual assault crisis, but clearly that has not
- 22 happened.
- 23 We have to do better. We need to pass the Military
- 24 Justice Improvement Act to take sexual assaults and other
- 25 violent felonies out of the hands of commanders and allow

- 1 trained military lawyers to make those legal decisions.
- 2 Mr. Chairman, I believe on balance this markup is a
- 3 very good starting point for debate and discussion about how
- 4 best to serve our men and women in uniform and the civilian
- 5 workforce that supports them. In particular, I am pleased
- 6 that the mark includes numerous provisions that advance the
- 7 fight against sexual assault in the military.
- 8 Specifically, the subcommittee mark, one, recommends
- 9 that duties of the special victims' counsel and victims'
- 10 legal counsels expressly include assisting survivors who
- 11 experience retaliation for reporting sexual assault
- 12 offenses. Second, it encourages victims of domestic
- 13 violence and sex-related offenses to secure both military
- 14 and civilian protective orders. Third, it requires the
- 15 DAGIPAD to conduct a review of potential racial and ethnic
- 16 bias in the Military Justice System. Three, it encourages
- 17 military judges to give deference to sexual assault
- 18 survivors who desire to testify at courts martial sentencing
- 19 proceedings.
- The markup also includes other provisions that I
- 21 strongly support including: authorizing funding to support
- 22 a 3.1 percent pay raise for the troops; authorizing \$40
- 23 million in supplemental impact aid and \$10 million for
- 24 impact aid for severely disabled military children, matching
- 25 last year's authorization to address clusters of underserved

- 1 disabled military children. It addresses the very
- 2 burdensome effect of the 2017 tax law that harmed Federal
- 3 employees who were asked to relocate overseas to serve our
- 4 government. Instead of keeping their moving allowances as
- 5 tax free, the Trump tax law made this allotment taxable
- 6 income. I am glad that our bill this year will reimburse
- 7 civilian employees for this tax burden and counteract this
- 8 harmful effect.
- 9 It requires military department boards for the
- 10 correction of military records and discharge boards to
- 11 liberally review veterans' claims to update their discharges
- 12 or dismissals. It requires contraception coverage parity
- 13 with the Affordable Care Act and the TRICARE Program. It
- 14 directs the Secretary of Defense to conduct a study of the
- 15 incidents of infertility among members of the armed forces.
- 16 And it reduces extra housing payments that the Department is
- 17 required to make to privatized housing contractors, which
- 18 would allow the services to use the funding to improve
- 19 housing and incentivize performance by contractors.
- I will also say that I was disappointed, but not
- 21 surprised, that the Administration's budget did not pay for
- 22 an increase in -- sorry -- did not include a pay raise for
- 23 the civilian workforce. Private-sector wages increased by
- 24 over 3 percent this year, and by law, the civilian workforce
- 25 should receive a 2.6 percent pay raise. The subcommittee

- 1 mark does not address this shortfall. We cannot hope to
- 2 recruit and retain the Nation's best civilians if salaries
- 3 don't keep pace with inflation, let alone private-sector
- 4 competition for the same talent. We cannot forget that the
- 5 Department civilian workforce is also vitally important to
- 6 our national security.
- 7 I look forward to working with Chairman Tillis here and
- 8 at the full committee to work toward a bill that will
- 9 benefit our men and women in uniform and the civilians who
- 10 support them. And I want to thank Ms. Stephanie Barna, Dr.
- 11 Al Edwards, Mr. Sean O'Keefe, Ms. Katie Magnus, Ms. Soleil
- 12 Sykes. And I want to thank the minority staff, Mr. Gary
- 13 Leeling and Mr. John Clark.
- 14 Senator Tillis: I should also mention I was thanking
- 15 everyone for their participation in the roundtables. I also
- 16 want to thank Senator Kaine who showed up to so many of
- 17 them, just demonstrating -- he's not on the committee, but
- 18 demonstrating interesting commission. Any other members
- 19 wishing to make statements?
- [No response.]
- 21 Senator Tillis: Traditionally, the subcommittee has
- 22 used the chairman's mark as the markup vehicle. Without
- 23 objection, we will use the chairman's mark as the markup
- 24 vehicle, subject to amendment. Is there objection?
- 25 [No response.]

- 1 Senator Tillis: So ordered.
- 2 Consistent with the practice and precedent of both the
- 3 subcommittee and the full committee, the following
- 4 amendments will not be in order and will not be considered:
- 5 amendments involving a significant matter that is not
- 6 within the jurisdiction of the subcommittee; amendments that
- 7 involve the jurisdiction of another committee that has not
- 8 agreed to the consideration of the amendment for inclusion
- 9 in the subcommittee's markup; and amendments that would
- 10 constitute an earmark.
- 11 It has been the practice of the Armed Services
- 12 Committee that any amendment to add funding must be
- 13 accompanied by an offset. Accordingly, if any senator
- 14 proposes an amendment that would increase spending, the
- 15 amendment must also identify an offset to pay for it.
- 16 Unless the offset can be made from funding under the
- 17 jurisdiction of the subcommittee, the amendment must be
- 18 offered at the full committee.
- 19 We have received 54 amendments that have been cleared
- 20 by both sides. This package has been provided to all
- 21 members and it is in front of you. Is there any objection
- 22 to adopting these amendments?
- [No response.]
- 24 Senator Tillis: Without objection, so ordered. The
- 25 manager's package is adopted.

- 1 Are there any other amendments?
- 2 [No response.]
- 3 Senator Tillis: If not, I will entertain a motion that
- 4 the subcommittee adopt these agreed amendments as part of
- 5 the Personnel Subcommittee mark. Is there a second?
- 6 Senator Gillibrand: Second.
- 7 Senator Tillis: All in favor, say aye?
- 8 [A chorus of ayes.]
- 9 Senator Tillis: All opposed, say no?
- 10 [No response.]
- 11 Senator Tillis: The motion is agreed to. I move that
- 12 the recommendation of the subcommittee be reported to the
- 13 full committee and that the staff be authorized to draft the
- 14 bill and report language implementing agreements reached
- 15 today, and to make necessary technical and conforming
- 16 changes.
- 17 Is there a second?
- 18 Senator Gillibrand: Second.
- 19 Senator Tillis: All in favor, say aye?
- 20 [A chorus of ayes.]
- 21 Senator Tillis: All opposed, say no?
- [No response.]
- 23 Senator Tillis: The ayes have it. The motion is
- 24 agreed to.
- 25 Is there any other business to come before the

1	subcommittee?
2	[No response.]
3	Senator Tillis: Before we conclude, I want to
4	recognize Senator Gillibrand once again for her work on the
5	committee. And, Senator Gillibrand, I am glad that once
6	again we have done this is an open setting. This is the way
7	it should be done.
8	The committee is adjourned.
9	Senator Gillibrand: Well done.
10	[Whereupon, at 2:27 p.m., the subcommittee was
11	adjourned.]
