(A) A force-structure plan for the Armed Forces based on an assessment by the Secretary of the probable threats to the national security during the 20-year period beginning with that fiscal year, the probable end-strength levels and major military force units (including land force divisions, carrier and other major combatant vessels, air wings, and other comparable units) needed to meet these threats, and the anticipated levels of funding that will be available for national defense purposes during such period.

(B) If no redevelopment authority referred to in subparagraph (A) exists with respect to
an installation, the Secretary shall consult with—

(i) the local government in whose jurisdiction the installation is wholly located; or

(B) The transfer of property located at a military installation under subparagraph (A) may be for consideration at or below the estimated fair market value or without consideration. The determination of such consideration may account for the economic conditions of the local affected community and the estimated costs to redevelop the property. The Secretary may accept, as consideration, a share of the revenues that the redevelopment authority receives from third-party buyers or lessees from sales and long-term leases of the conveyed property, consideration in kind (including goods and services), real property and improvements, or such other consideration as the Secretary considers appropriate. The transfer of property located at a
military installation under subparagraph (A) may be made for consideration below the estimated
fair market value or without consideration only if the redevelopment authority with respect to the
installation—

(i) agrees that the proceeds from any sale or lease of the property (or any portion
thereof) received by the redevelopment authority during at least the first seven years after
the date of the initial transfer of property under subparagraph (A) shall be used to support
the economic redevelopment of, or related to, the installation; and

(ii) executes the agreement for transfer of the property and accepts control of the
property within a reasonable time after the date of the property disposal record of
decision or finding of no significant impact under the National Environmental Policy Act
of 1969 (42 U.S.C. 4321 et seq.).

(C) For purposes of subparagraph (B)(i), the use of proceeds from a sale or lease
described in such subparagraph to pay for, or offset the costs of, public investment on or related
to the installation for any of the following purposes shall be considered a use to support the
economic redevelopment of, or related to, the installation:

(i) Road construction.

(ii) Transportation management facilities.

(iii) Storm and sanitary sewer construction.

(iv) Police and fire protection facilities and other public facilities.

(v) Utility construction.

(vi) Building rehabilitation.

(vii) Historic property preservation.

(viii) Pollution prevention equipment or facilities.
(ix) Demolition.
(x) Disposal of hazardous materials generated by demolition.
(xi) Landscaping, grading, and other site or public improvements.
(xii) Planning for or the marketing of the development and reuse of the installation.

(D) The Secretary may recoup from a redevelopment authority such portion of the proceeds from a sale or lease described in subparagraph (B) as the Secretary determines appropriate if the redevelopment authority does not use the proceeds to support economic redevelopment of, or related to, the installation for the period specified in subparagraph (B).

(E)(i) The Secretary may transfer real property at an installation approved for closure or realignment under this title (including property at an installation approved for realignment which will be retained by the Department of Defense or another Federal agency after realignment) to the redevelopment authority for the installation if the redevelopment authority agrees to lease, directly upon transfer, one or more portions of the property transferred under this subparagraph to the Secretary or to the head of another department or agency of the Federal Government. Subparagraph (B) shall apply to a transfer under this subparagraph.

(ii) A lease under clause (i) shall be for a term of not to exceed 50 years, but may provide for options for renewal or extension of the term by the department or agency concerned.

(iii) A lease under clause (i) may not require rental payments by the United States.

(iv) A lease under clause (i) shall include a provision specifying that if the department or agency concerned ceases requiring the use of the leased property before the expiration of the term of the lease, the remainder of the lease term may be satisfied by the same or another department or agency of the Federal Government using the property for a use similar to the use
under the lease. Exercise of the authority provided by this clause shall be made in consultation
with the redevelopment authority concerned.

(v) Notwithstanding clause (iii), if a lease under clause (i) involves a substantial portion
of the installation, the department or agency concerned may obtain facility services for the leased
property and common area maintenance from the redevelopment authority or the redevelopment
authority's assignee as a provision of the lease. The facility services and common area
maintenance shall be provided at a rate no higher than the rate charged to non-Federal tenants of
the transferred property. Facility services and common area maintenance covered by the lease
shall not include—

(I) municipal services that a State or local government is required by law to
provide to all landowners in its jurisdiction without direct charge; or

(II) firefighting or security-guard functions.

(F) The transfer of personal property under subparagraph (A) shall not be subject to the
provisions of subchapters II and III of chapter 5 of title 40, United States Code, if the Secretary
determines that the transfer of such property is necessary for the effective implementation of a
redevelopment plan with respect to the installation at which such property is located.

(G) The provisions of section 120(h) of the Comprehensive Environmental Response,
Compensation, and Liability Act of 1980 (42 U.S.C. 9620(h)) shall apply to any transfer of real
property under this paragraph.

(H) The Secretary may require any additional terms and conditions in connection with a
transfer under this paragraph as such Secretary considers appropriate to protect the interests of
the United States.
(5)(A) Except as provided in subparagraphs (B) and (C), the Secretary shall take such actions as the Secretary determines necessary to ensure that final determinations under paragraph (1) regarding whether another department or agency of the Federal Government has identified a use for any portion of a military installation to be closed or realigned under this title, or will accept transfer of any portion of such installation, are made not later than 6 months after the date of approval of closure or realignment of that installation.

(B) The Secretary may, in consultation with the redevelopment authority with respect to an installation, postpone making the final determinations referred to in subparagraph (A) with respect to the installation for such period as the Secretary determines appropriate if the Secretary determines that such postponement is in the best interests of the communities affected by the closure or realignment of the installation.

(C)(i) Before acquiring non-Federal real property as the location for a new or replacement Federal facility of any type, the head of the Federal agency acquiring the property shall consult with the Secretary regarding the feasibility and cost advantages of using Federal property or facilities at a military installation closed or realigned or to be closed or realigned under this title as the location for the new or replacement facility. In considering the availability and suitability of a specific military installation, the Secretary and the head of the Federal agency involved shall obtain the concurrence of the redevelopment authority with respect to the installation and comply with the redevelopment plan for the installation.

(ii) Not later than 30 days after acquiring non-Federal real property as the location for a new or replacement Federal facility, the head of the Federal agency acquiring the property shall submit to Congress a report containing the results of the consultation under clause (i) and the reasons why military installations referred to in such clause that are located within the area to be
served by the new or replacement Federal facility or within a 200-mile radius of the new or
replacement facility, whichever area is greater, were considered to be unsuitable or unavailable
for the site of the new or replacement facility.

(6)(A) The disposal of buildings and property located at installations approved for closure
or realignment under this title shall be carried out in accordance with this paragraph.

(B)(i) Not later than the date on which the Secretary of Defense completes the final
determinations referred to in paragraph (5) relating to the use or transferability of any portion of
an installation covered by this paragraph, the Secretary shall—

(I) identify the buildings and property at the installation for which the Department
of Defense has a use, for which another department or agency of the Federal Government
has identified a use, or of which another department or agency will accept a transfer;

(II) take such actions as are necessary to identify any building or property at the
installation not identified under subclause (I) that is excess property or surplus property;

(III) submit to the Secretary of Housing and Urban Development and to the
redevelopment authority for the installation (or the chief executive officer of the State in
which the installation is located if there is no redevelopment authority for the installation
at the completion of the determination described in the stem of this sentence) information
on any building or property that is identified under subclause (II); and

(IV) publish in the Federal Register and in a newspaper of general circulation in
the communities in the vicinity of the installation information on the buildings and
property identified under subclause (II).

(ii) Upon the recognition of a redevelopment authority for an installation covered by this
paragraph, the Secretary of Defense shall publish in the Federal Register and in a newspaper of
general circulation in the communities in the vicinity of the installation information on the
redevelopment authority.

(C)(i) State and local governments, representatives of the homeless, and other interested
parties located in the communities in the vicinity of an installation covered by this paragraph
shall submit to the redevelopment authority for the installation a notice of the interest, if any, of
such governments, representatives, and parties in the buildings or property, or any portion
thereof, at the installation that are identified under subparagraph (B)(i)(II). A notice of interest
under this clause shall describe the need of the government, representative, or party concerned
for the buildings or property covered by the notice.

(ii) The redevelopment authority for an installation shall assist the governments,
representatives, and parties referred to in clause (i) in evaluating buildings and property at the
installation for purposes of this subparagraph.

(iii) In providing assistance under clause (ii), a redevelopment authority shall—

(I) consult with representatives of the homeless in the communities in the vicinity
of the installation concerned; and

(II) undertake outreach efforts to provide information on the buildings and
property to representatives of the homeless, and to other persons or entities interested in
assisting the homeless, in such communities.

(iv) It is the sense of Congress that redevelopment authorities should begin to conduct
outreach efforts under clause (iii)(II) with respect to an installation as soon as is practicable after
the date of approval of closure or realignment of the installation.
(D)(i) State and local governments, representatives of the homeless, and other interested parties shall submit a notice of interest to a redevelopment authority under subparagraph (C) not later than the date specified for such notice by the redevelopment authority.

(ii) The date specified under clause (i) shall be-

(I) in the case of an installation for which a redevelopment authority has been recognized as of the date of the completion of the determinations referred to in paragraph (5), not earlier than 3 months and not later than 6 months after the date of publication of such determination in a newspaper of general circulation in the communities in the vicinity of the installation under subparagraph (B)(i)(IV); and

(II) in the case of an installation for which a redevelopment authority is not recognized as of such date, not earlier than 3 months and not later than 6 months after the date of the recognition of a redevelopment authority for the installation.

(iii) Upon specifying a date for an installation under this subparagraph, the redevelopment authority for the installation shall—

(I) publish the date specified in a newspaper of general circulation in the communities in the vicinity of the installation concerned; and

(II) notify the Secretary of Defense of the date.

(E)(i) In submitting to a redevelopment authority under subparagraph (C) a notice of interest in the use of buildings or property at an installation to assist the homeless, a representative of the homeless shall submit the following:

(I) A description of the homeless assistance program that the representative proposes to carry out at the installation.

(II) An assessment of the need for the program.
(III) A description of the extent to which the program is or will be coordinated with other homeless assistance programs in the communities in the vicinity of the installation.

(IV) A description of the buildings and property at the installation that are necessary in order to carry out the program.

(V) A description of the financial plan, the organization, and the organizational capacity of the representative to carry out the program.

(VI) An assessment of the time required in order to commence carrying out the program.

(ii) A redevelopment authority may not release to the public any information submitted to the redevelopment authority under clause (i)(V) without the consent of the representative of the homeless concerned unless such release is authorized under Federal law and under the law of the State and communities in which the installation concerned is located.

(F)(i) The redevelopment authority for each installation covered by this paragraph shall prepare a redevelopment plan for the installation. The redevelopment authority shall, in preparing the plan, consider the interests in the use to assist the homeless of the buildings and property at the installation that are expressed in the notices submitted to the redevelopment authority under subparagraph (C).

(ii)(I) In connection with a redevelopment plan for an installation, a redevelopment authority and representatives of the homeless shall prepare legally binding agreements that provide for the use to assist the homeless of buildings and property, resources, and assistance on or off the installation. The implementation of such agreements shall be contingent upon the
decision regarding the disposal of the buildings and property covered by the agreements by the
Secretary of Defense under subparagraph (K) or (L).

(II) Agreements under this clause shall provide for the reversion to the redevelopment
authority concerned, or to such other entity or entities as the agreements shall provide, of
buildings and property that are made available under this paragraph for use to assist the homeless
in the event that such buildings and property cease being used for that purpose.

(iii) A redevelopment authority shall provide opportunity for public comment on a
redevelopment plan before submission of the plan to the Secretary of Defense and the Secretary
of Housing and Urban Development under subparagraph (G).

(iv) A redevelopment authority shall complete preparation of a redevelopment plan for an
installation and submit the plan under subparagraph (G) not later than 9 months after the date
specified by the redevelopment authority for the installation under subparagraph (D).

(G)(i) Upon completion of a redevelopment plan under subparagraph (F), a
redevelopment authority shall submit an application containing the plan to the Secretary of
Defense and to the Secretary of Housing and Urban Development.

(ii) A redevelopment authority shall include in an application under clause (i) the
following:

(I) A copy of the redevelopment plan, including a summary of any public
comments on the plan received by the redevelopment authority under subparagraph
(F)(iii).

(II) A copy of each notice of interest of use of buildings and property to assist the
homeless that was submitted to the redevelopment authority under subparagraph (C),
together with a description of the manner, if any, in which the plan addresses the interest
expressed in each such notice and, if the plan does not address such an interest, an explanation why the plan does not address the interest.

(III) A summary of the outreach undertaken by the redevelopment authority under subparagraph (C)(iii)(II) in preparing the plan.

(IV) A statement identifying the representatives of the homeless and the homeless assistance planning boards, if any, with which the redevelopment authority consulted in preparing the plan, and the results of such consultations.

(V) An assessment of the manner in which the redevelopment plan balances the expressed needs of the homeless and the need of the communities in the vicinity of the installation for economic redevelopment and other development.

(VI) Copies of the agreements that the redevelopment authority proposes to enter into under subparagraph (F)(ii).

(H)(i) Not later than 60 days after receiving a redevelopment plan under subparagraph (G), the Secretary of Housing and Urban Development shall complete a review of the plan. The purpose of the review is to determine whether the plan, with respect to the expressed interest and requests of representatives of the homeless—

(I) takes into consideration the size and nature of the homeless population in the communities in the vicinity of the installation, the availability of existing services in such communities to meet the needs of the homeless in such communities, and the suitability of the buildings and property covered by the plan for the use and needs of the homeless in such communities;

(II) takes into consideration any economic impact of the homeless assistance under the plan on the communities in the vicinity of the installation;
(III) balances in an appropriate manner the needs of the communities in the vicinity of the installation for economic redevelopment and other development with the needs of the homeless in such communities;

(IV) was developed in consultation with representatives of the homeless and the homeless assistance planning boards, if any, in the communities in the vicinity of the installation; and

(V) specifies the manner in which buildings and property, resources, and assistance on or off the installation will be made available for homeless assistance purposes.

(ii) It is the sense of Congress that the Secretary of Housing and Urban Development shall, in completing the review of a plan under this subparagraph, take into consideration and be receptive to the predominant views on the plan of the communities in the vicinity of the installation covered by the plan.

(iii) The Secretary of Housing and Urban Development may engage in negotiations and consultations with a redevelopment authority before or during the course of a review under clause (i) with a view toward resolving any preliminary determination of the Secretary that a redevelopment plan does not meet a requirement set forth in that clause. The redevelopment authority may modify the redevelopment plan as a result of such negotiations and consultations.

(iv) Upon completion of a review of a redevelopment plan under clause (i), the Secretary of Housing and Urban Development shall notify the Secretary of Defense and the redevelopment authority concerned of the determination of the Secretary of Housing and Urban Development under that clause.
(v) If the Secretary of Housing and Urban Development determines as a result of such a
review that a redevelopment plan does not meet the requirements set forth in clause (i), a notice
under clause (iv) shall include—

(I) an explanation of that determination; and

(II) a statement of the actions that the redevelopment authority must undertake in
order to address that determination.

(I)(i) Upon receipt of a notice under subparagraph (H)(iv) of a determination that a
redevelopment plan does not meet a requirement set forth in subparagraph (H)(i), a
redevelopment authority shall have the opportunity to—

(I) revise the plan in order to address the determination; and

(II) submit the revised plan to the Secretary of Defense and the Secretary of
Housing and Urban Development.

(ii) A redevelopment authority shall submit a revised plan under this subparagraph to
such Secretaries, if at all, not later than 90 days after the date on which the redevelopment
authority receives the notice referred to in clause (i).

(J)(i) Not later than 30 days after receiving a revised redevelopment plan under
subparagraph (I), the Secretary of Housing and Urban Development shall review the revised plan
and determine if the plan meets the requirements set forth in subparagraph (H)(i).

(ii) The Secretary of Housing and Urban Development shall notify the Secretary of
Defense and the redevelopment authority concerned of the determination of the Secretary of
Housing and Urban Development under this subparagraph.

(K)(i) Upon receipt of a notice under subparagraph (H)(iv) or (J)(ii) of the determination
of the Secretary of Housing and Urban Development that a redevelopment plan for an
installation meets the requirements set forth in subparagraph (H)(i), the Secretary of Defense shall dispose of the buildings and property at the installation.

(ii) For purposes of carrying out an environmental assessment of the closure or realignment of an installation, the Secretary of Defense shall treat the redevelopment plan for the installation (including the aspects of the plan providing for disposal to State or local governments, representatives of the homeless, and other interested parties) as part of the proposed Federal action for the installation.

(iii) The Secretary of Defense shall dispose of buildings and property under clause (i) in accordance with the record of decision or other decision document prepared by the Secretary in accordance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.). In preparing the record of decision or other decision document, the Secretary shall give substantial deference to the redevelopment plan concerned.

(iv) The disposal under clause (i) of buildings and property to assist the homeless shall be without consideration.

(v) In the case of a request for a conveyance under clause (i) of buildings and property for public benefit under section 550 of title 40, United States Code, or sections 47151 through 47153 of title 49, United States Code, the sponsoring Federal agency shall use the eligibility criteria set forth in such section or subchapter II of chapter 471 of title 49, United States Code (as the case may be) to determine the eligibility of the applicant and use proposed in the request for the public benefit conveyance. The determination of such eligibility should be made before submission of the redevelopment plan concerned under subparagraph (G).

(L)(i) If the Secretary of Housing and Urban Development determines under subparagraph (J) that a revised redevelopment plan for an installation does not meet the
requirements set forth in subparagraph (H)(i), or if no revised plan is so submitted, that Secretary
shall—

(I) review the original redevelopment plan submitted to that Secretary under
subparagraph (G), including the notice or notices of representatives of the homeless
referred to in clause (ii)(II) of that subparagraph;

(II) consult with the representatives referred to in subclause (I), if any, for
purposes of evaluating the continuing interest of such representatives in the use of
buildings or property at the installation to assist the homeless;

(III) request that each such representative submit to that Secretary the items
described in clause (ii); and

(IV) based on the actions of that Secretary under subclauses (I) and (II), and on
any information obtained by that Secretary as a result of such actions, indicate to the
Secretary of Defense the buildings and property at the installation that meet the
requirements set forth in subparagraph (H)(i).

(ii) The Secretary of Housing and Urban Development may request under clause (i)(III)
that a representative of the homeless submit to that Secretary the following:

(I) A description of the program of such representative to assist the homeless.

(II) A description of the manner in which the buildings and property that the
representative proposes to use for such purpose will assist the homeless.

(III) Such information as that Secretary requires in order to determine the
financial capacity of the representative to carry out the program and to ensure that the
program will be carried out in compliance with Federal environmental law and Federal
law against discrimination.
(IV) A certification that police services, fire protection services, and water and sewer services available in the communities in the vicinity of the installation concerned are adequate for the program.

(iii) Not later than 90 days after the date of the receipt of a revised plan for an installation under subparagraph (J), the Secretary of Housing and Urban Development shall—

(I) notify the Secretary of Defense and the redevelopment authority concerned of the buildings and property at an installation under clause (i)(IV) that the Secretary of Housing and Urban Development determines are suitable for use to assist the homeless; and

(II) notify the Secretary of Defense of the extent to which the revised plan meets the criteria set forth in subparagraph (H)(i).

(iv)(I) Upon notice from the Secretary of Housing and Urban Development with respect to an installation under clause (iii), the Secretary of Defense shall dispose of buildings and property at the installation in consultation with the Secretary of Housing and Urban Development and the redevelopment authority concerned.

(II) For purposes of carrying out an environmental assessment of the closure or realignment of an installation, the Secretary of Defense shall treat the redevelopment plan submitted by the redevelopment authority for the installation (including the aspects of the plan providing for disposal to State or local governments, representatives of the homeless, and other interested parties) as part of the proposed Federal action for the installation. The Secretary of Defense shall incorporate the notification of the Secretary of Housing and Urban Development under clause (iii)(I) as part of the proposed Federal action for the installation only to the extent, if any, that the Secretary of Defense considers such incorporation to be appropriate and consistent
with the best and highest use of the installation as a whole, taking into consideration the redevelopment plan submitted by the redevelopment authority.

(III) The Secretary of Defense shall dispose of buildings and property under subclause (I) in accordance with the record of decision or other decision document prepared by the Secretary in accordance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.). In preparing the record of decision or other decision document, the Secretary shall give deference to the redevelopment plan submitted by the redevelopment authority for the installation.

(IV) The disposal under subclause (I) of buildings and property to assist the homeless shall be without consideration.

(V) In the case of a request for a conveyance under subclause (I) of buildings and property for public benefit under section 550 of title 40, United States Code, or sections 47151 through 47153 of title 49, United States Code, the sponsoring Federal agency shall use the eligibility criteria set forth in such section or subchapter II of chapter 471 of title 49, United States Code (as the case may be) to determine the eligibility of the applicant and use proposed in the request for the public benefit conveyance. The determination of such eligibility should be made before submission of the redevelopment plan concerned under subparagraph (G).

(M)(i) In the event of the disposal of buildings and property of an installation pursuant to subparagraph (K) or (L), the redevelopment authority for the installation shall be responsible for the implementation of and compliance with agreements under the redevelopment plan described in that subparagraph for the installation.

(ii) If a building or property reverts to a redevelopment authority under such an agreement, the redevelopment authority shall take appropriate actions to secure, to the maximum extent practicable, the utilization of the building or property by other homeless representatives to
assist the homeless. A redevelopment authority may not be required to utilize the building or

property to assist the homeless.

(N) The Secretary of Defense may postpone or extend any deadline provided for under

this paragraph in the case of an installation covered by this paragraph for such period as the

Secretary considers appropriate if the Secretary determines that such postponement is in the

interests of the communities affected by the closure or realignment of the installation. The

Secretary shall make such determinations in consultation with the redevelopment authority

concerned and, in the case of deadlines provided for under this paragraph with respect to the

Secretary of Housing and Urban Development, in consultation with the Secretary of Housing and

Urban Development.

(O) For purposes of this paragraph, the term “communities in the vicinity of the

installation”, in the case of an installation, means the communities that constitute the political

jurisdictions (other than the State in which the installation is located) that comprise the

redevelopment authority for the installation.

(P) For purposes of this paragraph, the term “other interested parties”, in the case of an

installation, includes any parties eligible for the conveyance of property of the installation under

section 550 of title 40, United States Code, or sections 47151 through 47153 of title 49, United

States Code, whether or not the parties assist the homeless.

(7)(A) Subject to subparagraph (C), the Secretary may enter into agreements (including

contracts, cooperative agreements, or other arrangements for reimbursement) with local

governments for the provision of police or security services, fire protection services, airfield

operation services, or other community services by such governments at military installations to

be closed under this title, or at facilities not yet transferred or otherwise disposed of in the case of
installations closed under this title, if the Secretary determines that the provision of such services
under such agreements is in the best interests of the Department of Defense.

(B) The Secretary may exercise the authority provided under this paragraph without
regard to the provisions of chapter 146 of title 10, United States Code.

(C) The Secretary may not exercise the authority under subparagraph (A) with respect to
an installation earlier than 180 days before the date on which the installation is to be closed.

(D) The Secretary shall include in a contract for services entered into with a local
government under this paragraph a clause that requires the use of professionals to furnish the
services to the extent that professionals are available in the area under the jurisdiction of such
government.

(c) A PPLICABILITY OF NATIONAL ENVIRONMENTAL POLICY ACT OF 1969.—(1) The
provisions of the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) shall not
apply to the actions of the President, the Commission, and, except as provided in paragraph (2),
the Department of Defense in carrying out this title.

(2)(A) The provisions of the National Environmental Policy Act of 1969 shall apply to
actions of the Department of Defense under this title (i) during the process of property disposal,
and (ii) during the process of relocating functions from a military installation being closed or
realigned to another military installation after the receiving installation has been selected but
before the functions are relocated.

(B) In applying the provisions of the National Environmental Policy Act of 1969 to the
processes referred to in subparagraph (A), the Secretary of Defense and the Secretary of the
military departments concerned shall not have to consider—
(i) the need for closing or realigning the military installation which has been recommended for closure or realignment by the Commission;

(ii) the need for transferring functions to any military installation which has been selected as the receiving installation; or

(iii) military installations alternative to those recommended or selected.

(3) A civil action for judicial review, with respect to any requirement of the National Environmental Policy Act of 1969 to the extent such Act is applicable under paragraph (2), of any act or failure to act by the Department of Defense during the closing, realigning, or relocating of functions referred to in clauses (i) and (ii) of paragraph (2)(A), may not be brought more than 60 days after the date of such act or failure to act.

(d) Waiver.—The Secretary of Defense may close or realign military installations under this title without regard to—

(1) any provision of law restricting the use of funds for closing or realigning military installations included in any appropriations or authorization Act; and

(2) sections 2662 and 2687 of title 10, United States Code.

(e) Transfer Authority in Connection With Payment of Environmental Remediation Costs.—(1)(A) Subject to paragraph (2) of this subsection and section 120(h) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9620(h)), the Secretary may enter into an agreement to transfer by deed real property or facilities referred to in subparagraph (B) with any person who agrees to perform all environmental restoration, waste management, and environmental compliance activities that are required for the property or facilities under Federal and State laws, administrative decisions, agreements (including schedules and milestones), and concurrences.
(B) The real property and facilities referred to in subparagraph (A) are the real property and facilities located at an installation closed or to be closed, or realigned or to be realigned, under this title that are available exclusively for the use, or expression of an interest in a use, of a redevelopment authority under subsection (b)(6)(F) during the period provided for that use, or expression of interest in use, under that subsection. The real property and facilities referred to in subparagraph (A) are also the real property and facilities located at an installation approved for closure or realignment under this title after 2001 that are available for purposes other than to assist the homeless.

(C) The Secretary may require any additional terms and conditions in connection with an agreement authorized by subparagraph (A) as the Secretary considers appropriate to protect the interests of the United States.

(2) A transfer of real property or facilities may be made under paragraph (1) only if the Secretary certifies to Congress that—

(A) the costs of all environmental restoration, waste management, and environmental compliance activities otherwise to be paid by the Secretary with respect to the property or facilities are equal to or greater than the fair market value of the property or facilities to be transferred, as determined by the Secretary; or

(B) if such costs are lower than the fair market value of the property or facilities, the recipient of the property or facilities agrees to pay the difference between the fair market value and such costs.

(3) In the case of property or facilities covered by a certification under paragraph (2)(A), the Secretary may pay the recipient of such property or facilities an amount equal to the lesser of—
(A) the amount by which the costs incurred by the recipient of such property or facilities for all environmental restoration, waste, management, and environmental compliance activities with respect to such property or facilities exceed the fair market value of such property or facilities as specified in such certification; or

(B) the amount by which the costs (as determined by the Secretary) that would otherwise have been incurred by the Secretary for such restoration, management, and activities with respect to such property or facilities exceed the fair market value of such property or facilities as so specified

(4) As part of an agreement under paragraph (1), the Secretary shall disclose to the person to whom the property or facilities will be transferred any information of the Secretary regarding the environmental restoration, waste management, and environmental compliance activities described in paragraph (1) that relate to the property or facilities. The Secretary shall provide such information before entering into the agreement.

(5) Nothing in this subsection shall be construed to modify, alter, or amend the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9601 et seq.) or the Solid Waste Disposal Act (42 U.S.C. 6901 et seq.).

(6) Section 330 of the National Defense Authorization Act for Fiscal Year 1993 (Public Law 102-484; 10 U.S.C. 2687 note) shall not apply to any transfer under this subsection to persons or entities described in subsection (a)(2) of such section 330, except in the case of releases or threatened releases not disclosed pursuant to paragraph (4).

“Department of Defense Base Closure Account 2015” (in this section referred to as the
“Account”). The Account shall be administered by the Secretary as a single account.

(2) There shall be deposited into the Account—

(A) funds authorized for and appropriated to the Account;

(B) any funds that the Secretary may, subject to approval in an appropriation Act,
transfer to the Account from funds appropriated to the Department of Defense for any
purpose, except that such funds may be transferred only after the date on which the
Secretary transmits written notice of, and justification for, such transfer to the con-
gressional defense committees; and

(C) except as provided in subsection (d), proceeds received from the lease,
transfer, or disposal of any property at a military installation that is closed or realigned
under this title.

(3) The Account shall be closed at the time and in the manner provided for appropriation
accounts under section 1555 of title 31, United States Code. Unobligated funds which remain in
the Account upon closure shall be held by the Secretary of the Treasury until transferred by law
after the congressional defense committees receive the final report transmitted under subsection
(c)(2),

(b) USE OF FUNDS.—(1) The Secretary may use the funds in the Account only for the
purposes described in section 2905 with respect to military installations approved for closure or
realignment under this title.

identified by subaccount and installation, for each military department and Defense
Agency.

(ii) The fiscal year in which appropriations for such expenditures were made and
the fiscal year in which finds were obligated for such expenditures.

(iii) Each military construction project for which such obligations and
expenditures were made, identified by installation and project title.
(iv) A description and explanation of the extent, if any, to which expenditures for military construction projects for the fiscal year differed from proposals for projects and funding levels that were included in the justification transmitted to Congress under section 2907(1), or otherwise, for the funding proposals for the Account for such fiscal year, including an explanation of—

(I) any failure to carry out military construction projects that were so proposed; and

(II) any expenditures for military construction projects that were not so proposed.

(v) An estimate of the net revenues to be received from property disposals to be completed during the first fiscal year commencing after the submission of the report at military installations approved for closure or realignment under this title.

(A) all the funds deposited into and expended from the Account or otherwise expended under this title with respect to such installations; and

(B) any amount remaining in the Account.

(d) DISPOSAL OR TRANSFER OF COMMISSARY STORES AND PROPERTY PURCHASED WITH NONAPPROPRIATED FUNDS.—(1) If any real property or facility acquired, constructed, or improved (in whole or in part) with commissary store funds or nonappropriated funds is transferred or disposed of in connection with the closure or realignment of a military installation under this title, a portion of the proceeds of the transfer or other disposal of property on that
installation shall be deposited in the reserve account established under section 204(b)(7)(C) of the Defense Authorization Amendments and Base Closure and Realignment Act (10 U.S.C. 2687 note).

(2) The amount so deposited shall be equal to the depreciated value of the investment made with such funds in the acquisition, construction, or improvement of that particular real property or facility. The depreciated value of the investment shall be computed in accordance with regulations prescribed by the Secretary.

(3) The Secretary may use amounts in the reserve account, without further appropriation, for the purpose of acquiring, constructing, and improving—

(A) commissary stores; and

(B) real property and facilities for nonappropriated fund instrumentalities.

(4) As used in this subsection:

The scope of work for such a project may not be reduced by more than 25 percent from the scope specified in the most recent budget documents for the projects listed in such conference report.

(2) Paragraph (1) shall not apply to a military construction project or military family housing project to be carried out using funds in the Account with an estimated cost of less than $5,000,000, unless the project has not been previously identified in any budget submission for the Account and exceeds the applicable minor construction threshold under section 2805 of title 10, United States Code.

(3) The limitation on cost or scope variation in paragraph (1) shall not apply if the Secretary of Defense makes a determination that an increase or reduction in cost or a reduction in the scope of work for a military construction project or military family housing project to be carried out using funds in the Account needs to be made for the sole purpose of meeting unusual variations in cost or scope. If the Secretary makes such a determination, the Secretary shall notify the congressional defense committees of the variation in cost or scope not later than 21
days before the date on which the variation is made in connection with the project or, if the
notification is provided in an electronic medium pursuant to section 480 of title 10, United States
Code, not later than 14 days before the date on which the variation is made. The Secretary shall
include the reasons for the variation in the notification.

(a) TERMS OF THE RESOLUTION.—For purposes of section 2904(b), the term “joint
resolution” means only a joint resolution which is introduced within the 10-day period beginning
on the date on which the President transmits the report to the Congress under section 2903(j),
and—

(2) the matter after the resolving clause of which is as follows: “That Congress
disapproves the recommendations of the Defense Base Closure and Realignment
Commission as submitted by the President on “, the blank space being filled in
with the appropriate date; and

(3) the title of which is as follows: “Joint resolution disapproving the
recommendations of the Defense Base Closure and Realignment Commission.”.

(b) Referral.—A resolution described in subsection (a) that is introduced in the House
of Representatives shall be referred to the Committee on Armed Services of the House of
Representatives. A resolution described in subsection (a) introduced in the Senate shall be
referred to the Committee on Armed Services of the Senate.

(c) Discharge.—If the committee to which a resolution described in subsection (a) is
referred has not reported such a resolution (or an identical resolution) by the end of the 20-day
period beginning on the date on which the President transmits the report to the Congress under
section 2903(j), such committee shall be, at the end of such period, discharged from further
consideration of such resolution, and such resolution shall be placed on the appropriate calendar
of the House involved.

(d) Consideration.—(1) On or after the third day after the date on which the committee
to which such a resolution is referred has reported, or has been discharged (under subsection (c))
from further consideration of, such a resolution, it is in order (even though a previous motion to
the same effect has been disagreed to) for any Member of the respective House to move to
proceed to the consideration of the resolution. A member may make the motion only on the day
after the calendar day on which the Member announces to the House concerned the Member's
intention to make the motion, except that, in the case of the House of Representatives, the motion
may be made without such prior announcement if the motion is made by direction of the committee to which the resolution was referred. All points of order against the resolution (and against consideration of the resolution) are waived. The motion is highly privileged in the House of Representatives and is privileged in the Senate and is not debatable. The motion is not subject to amendment, or to a motion to postpone, or to a motion to proceed to the consideration of other business. A motion to reconsider the vote by which the motion is agreed to or disagreed to shall not be in order. If a motion to proceed to the consideration of the resolution is agreed to, the respective House shall immediately proceed to consideration of the joint resolution without intervening motion, order, or other business, and the resolution shall remain the unfinished business of the respective House until disposed of.

(2) Debate on the resolution, and on all debatable motions and appeals in connection therewith, shall be limited to not more than 2 hours, which shall be divided equally between those favoring and those opposing the resolution. An amendment to the resolution is not in order. A motion further to limit debate is in order and not debatable. A motion to postpone, or a motion to proceed to the consideration of other business, or a motion to recommit the resolution is not in order. A motion to reconsider the vote by which the resolution is agreed to or disagreed to is not in order.

(3) Immediately following the conclusion of the debate on a resolution described in subsection (a) and a single quorum call at the conclusion of the debate if requested in accordance with the rules of the appropriate House, the vote on final passage of the resolution shall occur.

(4) Appeals from the decisions of the Chair relating to the application of the rules of the Senate or the House of Representatives, as the case may be, to the procedure relating to a resolution described in subsection (a) shall be decided without debate.
(e) CONSIDERATION BY OTHER HOUSE.—(1) If, before the passage by one House of a resolution of that House described in subsection (a), that House receives from the other House a resolution described in subsection (a), then the following procedures shall apply:

(A) The resolution of the other House shall not be referred to a committee and may not be considered in the House receiving it except in the case of final passage as provided in subparagraph (B)(ii).

(B) With respect to a resolution described in subsection (a) of the House receiving the resolution—

(i) the procedure in that House shall be the same as if no resolution had been received from the other House; but

(ii) the vote on final passage shall be on the resolution of the other House.

(2) Upon disposition of the resolution received from the other House, it shall no longer be in order to consider the resolution that originated in the receiving House.

(f) RULES OF THE SENATE AND HOUSE.—This section is enacted by Congress—

(1) as an exercise of the rulemaking power of the Senate and House of Representatives, respectively, and as such it is deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of a resolution described in subsection (a), and it supersedes other rules only to the extent that it is inconsistent with such rules; and

(2) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner, and to the same extent as in the case of any other rule of that House.
(a) IN GENERAL.—Except as provided in subsection (c), during the period beginning on
the date of the enactment of this Act, and ending on April 15, 2018, this title shall be the
exclusive authority for selecting for closure or realignment, or for carrying out any closure or
realignment of, a military installation inside the United States.

(b) RESTRICTION.—Except as provided in subsection (c), none of the funds available to
the Department of Defense may be used, other than under this title, during the period specified in
subsection (a)—

(1) to identify, through any transmittal to the Congress or through any other
public announcement or notification, any military installation inside the United States as
an installation to be closed or realigned or as an installation under consideration for
closure or realignment; or

(2) to carry out any closure or realignment of a military installation inside the
United States.

(c) EXCEPTION.—Nothing in this title affects the authority of the Secretary to carry out
closures and realignments to which section 2687 of title 10, United States Code, is not
applicable, including closures and realignments carried out for reasons of national security or a
military emergency referred to in subsection (c) of such section.
